Subject: CASAC Charge Letter
Attachments: PM ISA Charge to CASAC unsigned 10-9-18.docx

Importance: High

Hi John,

I forgot we had drafted this a while ago. Attached you will find the charge letter along with fairly general charge questions we had come up with. I didn't share these more broadly with the team, but at one point you, Barb, and myself iterated on them a little. I think they are reasonable and not too detailed. Let me know your thoughts.

If you are comfortable with this, to finalize it all we would need to do is update the two highlighted areas.

Jason
